

Hello Families,

I hope by now you and your child our into the Wilson School routine. Our day starts early @ 8:20 and goes until 1:50. We have a day backed with exciting and educational experiences. He/she may be tired when she gets home.

We have settled into school routines. Many of your children are independent with the morning routine...unpacking folders and snacks, hanging up sweaters, etc. It is amazing how quickly they become “ big kids.”

Please remember to label all items sent to school...lunch boxes, sweaters, bookbags, lunch money, etc.

You can reach me at 574-1092. Miss Dee, my assistant, will take a message and I will return phone calls after 2:00.

Thank you for supporting our class with the pre-k fundraiser. I look forward to using our profits to enhance the pre-k curriculum. I will be sending info home on our upcoming fieldtrips, please join us as a chaperone if you can.

Please read my weekly newsletters. I will offer information that will help you discuss the school week with your child. For example, stories we have read or activities done in class. This reinforces the activity as well as lets your child know that home and school are connected.

I am excited about our great start and I look forward to preparing your child for school success.

Mrs. Daly
