

We are off to a great year; all of your children have adapted to their new school and are thriving. I am pleased to say that they have all learned the classroom and school routines, visited all the special teachers, and will be going on their first field trip on September 22.☺

I am impressed to see how many of your children know their ABC's and 123's!!!!
I did notice however, that many children need help becoming more independent. Please have your children learn to put their belongings into their own backpacks as well as empty them at the end of the day. They also need to learn how to button, zip, or snap their pants & take their coat off (by the cuff so it won't be inside out.)
We will be working on all these independent skills at school as well!!

October 6th is our open house. I look forward to seeing you all once again on that night. This will not be the time for 1 to 1 parent/teachers conferences, but an overview of the first 6 weeks of school.☺

If you feel the need for a private parent/teacher conference, please send me in a note requesting one. If I feel we should meet individually I will contact you.

I will update this site at the beginning of each month so be sure to check it.

Mrs. Doolan
